INSTITUTE

Philip D. Moeller

Senior Vice President, Energy Delivery and Chief Customer Solutions Officer

The Honorable Philip D. Moeller is Senior Vice President of Energy Delivery and Chief Customer Solutions Officer at the Edison Electric Institute (EEL). EEL is the association that represents all of the nation's investor-owned electric utilities.

At EEL, Mr. Moeller has responsibility for policies related to energy delivery, all of which are focused on enhancing the reliability and resiliency of the grid and meeting the needs of the diverse set of customers served by EEL's member companies. Energy delivery policies are becoming increasingly important as the electric system is undergoing rapid transformation both at the wholesale and retail levels of electricity service.

Similarly, EEL's member companies increasingly are focused on delivering innovative solutions that meet customers' changing expectations. In his role as Chief Customer Solutions Officer, Mr. Moeller works with EEL's member companies to identify policy solutions and business opportunities to better serve customers.

Prior to joining EEL in February 2016, Mr. Moeller served as a Commissioner on the Federal Energy Regulatory Commission (FERC), ending his tenure as the second-longest serving member of the Commission. In office from 2006 through 2015, Mr. Moeller ended his service as the only Senate-confirmed member of the federal government appointed by both President George W. Bush and President Barack Obama. At FERC, Mr. Moeller championed policies promoting improved wholesale electricity markets, increasing investment in electric transmission and natural gas pipeline networks, and enhancing the coordination of the electric and natural gas industries.

Earlier in his career, Mr. Moeller headed the Washington, D.C., office of Alliant Energy Corporation. He also served as a Senior Legislative Assistant for Energy Policy to U.S. Senator Slade Gorton (R-WA), and as the Staff Coordinator of the Washington State Senate Energy and Telecommunications Committee in Olympia, Washington.

Mr. Moeller was born in Chicago and raised on a ranch near Spokane, Washington. He received a BA in Political Science in 1983 from Stanford University.
