FERC Order No. 1920 Engagement Period to start 11/1/24

As required under FERC Order No. 1920, the California ISO must enable meaningful engagement with Relevant State Entities on a Long-Term Regional Transmission Cost Allocation Method and/or State Agreement Process. To do so, the ISO will initiate an engagement period on Nov. 1, 2024 and end this Engagement Period on May 1, 2025. During this engagement period, the ISO will facilitate discussions among Relevant State Entities. Representatives from Relevant State Entities may contact Danielle Mills at dmills@caiso.com to request that the ISO include them in any such discussions

Relevant State Entities may also contact Danielle Mills to communicate with the ISO about any agreement among Relevant State Entities on a Long-Term Regional Transmission Cost Allocation Method(s) and/or a Agreement Process. Communication of any such agreement must occur by May 15, 2025.
